EDUCATION

- Entering fourth and final year pursuing a Bachelor of Arts degree with specificity to ethnomusicology, production, and songwriting at Hampshire College.
- Additional studies in music theory, DAW fluency, and music history at Amherst College, UMass Amherst, and Mount Holyoke College.

CURRENT

SEMESTER AT SEA SPRING 2026 VOYAGE

- Studying production and composition on a four month shipboard voyage from Asia to Europe.
- Performing original music, both independently and collaboratively, onboard to a student body of 500.
- Independently writing, producing, and recording a debut album exploring how space- and resource-limited audio engineering impacts artistic expression.
